HAND & NAIL BRUSH

- brush design promotes vital cleansing of hands for food processing and foodservice personnel
- long bristles along sides clean fingers top and bottom while the short bristles in center clean under fingernails
- works better than soap and water alone for cleaning under finger nails; where bacteria, dirt, and other contaminants can become trapped
- 40021 kit includes a 5" brush, cord to secure the brush in place, hanging hook, and an adhesive backed hand washing instruction decal in English and Spanish
- base resins used to produce blocks and bristles are made of FDA approved materials
