# Transport Line

Vikan's line of exterior and interior tools for the transportation industry efficiently and effectively cleans vehicles of all sizes. Thanks to a wide range of purpose-built tools, professionals can clean vehicles with ease. From a deep clean to a quick wash, Vikan has the transportation cleaning solution you need.

Most of the tools in our range feature innovative rubber edges so you can clean as vigorously as you need to without worrying about scratching paint or molding. With a variety of scrubs, brushes, and squeegees to choose from, every part of a vehicle can be cleaned quickly and completely.

Useful for before, after, or instead of a car or truck wash, Vikan tools are extremely durable and well-suited for cleaning hard-to-reach spaces and caked-on grime. No matter if you are cleaning a tractor-trailer or a sedan, the Vikan Transport Line has solutions that provide fast and effective results.

## Product Sets

**Transport Brush Set**  
Item number 521052

These three brushes form the foundation of any automotive detailing kit, allowing you to efficiently clean multiple areas of your vehicle. This kit contains 1 x 524652, 1 x 525352, and 1 x 31559.

**Automobile Exterior Wash Set**  
Item number 33301

The Automobile Wash Set is the perfect starter kit for auto detailers and limousine fleets. This set contains 1 x 475752, 1 x 524652, 1 x 524752, 1 x 525352, 1 x 707752, 1 x 297152Q, and 1 x 0703US.

**Tractor-Trailer Exterior Wash Set**  
Item number 33302

The Tractor-Trailer Exterior Wash Set is ideal for commercial truck washes and fleet cleaning facilities. This set contains 1 x 475752, 1 x 524652, 1 x 545252, 1 x 707952, 1 x 297352Q, 1 x 297152Q, and 1 x 0703US.

**Delivery Vehicle Exterior Wash Set**  
Item number 33303

The Delivery Vehicle Wash Set is great for cleaning smaller commercial vehicles like box trucks and delivery vans. This set contains 1 x 524752, 1 x 707852, 1 x 545252, 1 x 297152Q, and 1 x 0703US.

# Waterfed Tools

## 11" Vehicle Wash Brush

Item number 475552

This dip or waterfed brush has its corners edged in rubber to protect paint jobs.

## 15" Vehicle Wash Brush

Item numbers 475752

This rubber-edged brush is safe and effective for use on large vehicles as a dip or waterfed brush.

## Vehicle High/Low Wash Brush

Item number 524752

The angled design of this brush helps maintain constant contact with surfaces during washing, while rubber edges protect paint.

## Waterfed Rim Brush

Item number 545252

Effectively clean wheels and rims on commercial vehicles with this large waterfed rim cleaner.

## Waterfed Vehicle Hand Brush

Item number 525452

This waterfed vehicle brush delivers great results where attention to detail is required.

## Wash Brush w/ Swivel Head

Item number 526852

The head of this brush rotates and tightens into position so it can clean at multiple angles. The rubber edges protect paint.

## Water Gun

Item number 93249

This sturdy and well-built water gun allows for changes in water jet patterns, pressure, and direction.\*

## Automatic Shutoff Coupling

Item number 0703US

Connect an acme thread hose to this coupling to make it compatible with any Vikan quick-connect tool.

# Hand & Detail Brushes

## Hand Brush

Item number 450252

Keep workshop benches clean with this soft, slimline hand brush, or use it to clean out interiors.

## Washing Scrub Brush

Item number 524652

This hand brush helps ensure excellent results for detail cleaning, while its rubber edges protect surfaces.

## Multi-Purpose/Rim Brush

Item number 525252

This hand brush is an excellent dip brush, frequently used on rims and wheels. Rubber edges prevent paint damage.

## Rim Cleaning Hand Brush

Item number 525352

The brush has chemically resistant, medium-stiffness, synthetic bristles and a nylon-protected handle.

## Nail Brush

Item number 64409

Clean fingernails, upholstery, or carpets with this durable nail brush.

## Vehicle Interior Brush

Item number 631559

Remove dust from dashboards, instrument panels, switch housings, and more with this brush made of natural fibers.

## Detail Brush Set (7)

Item number 556052

Clean easily with these seven brushes. 1 x 5.5 in (1), 0.7 x 5.3 in (1), 0.5 x 5.1 in (1), 0.5 x 3.3 in (2), .1 x 3 in (1), 0.04 x 2.4 in (1)

## Detail Brush Set (2)

Item number 556452

Clean crevices and other difficult-to-reach areas with this set of two detail brushes.

\*Additional colors available. Visit [remcoproducts.com/transport](http://remcoproducts.com/transport) for full details.

# Handles

## 62"- 109" Telescopic Handle

Item number 297552

This telescopic handle has an insulated sleeve for a comfortable grip.

## 59" Ergonomic Handle

Item number 293752

The aluminum handle features a convenient hanging hook and an ergonomic design.

## 59" Polypropylene Handle

Item number 29629

This one-piece handle is constructed from polypropylene, making it durable and ergonomically friendly.\*

## 39" Basic Aluminum Handle

Item number 29339

This handle is constructed from aluminum, providing a lightweight option that holds up well against tough jobs.\*

## 63"- 109" Telescopic Waterfed Handle w/ Quick Disconnect Fitting

Item number 297352Q

The handle has an ergonomic insulated grip and a 1/2" quick disconnect fitting. (Requires a 0703US coupling)

## 63"- 109" Telescopic Waterfed Handle w/ Barbed Hose Fitting

Item number 297352

The handle can be connected to the bare end of a hose with a hose clamp.

## 42"- 63" Telescopic Waterfed Handle w/ Quick Disconnect Fitting

Item number 297152Q

This handle has a comfortable grip with a quick disconnect that can be used up to a pressure of 87 psi. (Requires a 0703US coupling)

# Squeegees

## 10" Wipe'n'Shine Squeegee

Item numbers 707752

Effectively removes residues from hard-glazed and painted surfaces. This small size can be stored in a vehicle for on-the-go cleaning. Can be handle-mounted for extended reach.

## 14" Wipe'n'Shine Squeegee

Item number 707852

Removes water from a vehicle post-wash quickly and efficiently to prevent water stains. Well suited for larger vans and trucks. Can be handle-mounted for extended reach.

## 18" Wipe'n'Shine Squeegee

Item number 707952

Removes water after a wash-down to preventing residue or limescale deposits. Works well for tractor trailers and commercial trucks. Can be handle-mounted for extended reach.

## Windshield Sponge/Squeegee w/ Telescopic Handle

Item number 473952

This telescopic squeegee/sponge combo can extend up to 49 inches. Replacement heads (Item number 473852) are available.

## Windshield Squeegee/Sponge

Item number 473852

Replacement head, featuring a rubber blade and a sponge with an abrasive net for removing insects. For use with 473952.

## 24" Floor Squeegee

Item numbers 77549

A long black cellular rubber blade makes quick work of cleaning oil, water, or cleaning agents off of garage floors.\*

## 20" Floor Squeegee

Item number 77539

Ideal for removing water and oil, this black polypropylene floor squeegee has an oil-resistant cellular rubber blade.\*

# Garage & Shop Tools

**17" Garage Broom**  
Item number 311552

Designed for sweeping up wet and greasy waste, this wooden broom features hard PVC bristles and a threaded socket. Can be used with any handle within the Vikan Transport System.

**26" Garage Broom**  
Item number 311752

This wooden broom can quickly tackle the largest messes thanks to its hard bristles and solid wooden block.

**Split Bristle Angled Broom**  
Item number 29169

This angled broom can reach into difficult areas that push brooms struggle to clean. Its bristles can pick up the smallest of powders without leaving residue.\*

**Dustpan**  
Item number 56609

Collect debris when cleaning garages or grounds with this dustpan.\*

**Lobby Dustpan w/Broom**  
Item number 62509

Quickly sweep up messes with this lobby dustpan set. The bin shuts for easy dirt disposal.\*

**Basic Wall Bracket**  
Item number 06195

This basic bracket is designed to organize tool storage and can hold up to 3 tools at a time.\*

**Wall Bracket for 4-6 Tools**  
Item number 10189

This bracket helps organize up to 6 tools at a time, and lets workers quickly grab and put away tools.\*

**Bucket**  
Item number 56922

Fill this 5 gallon bucket with soapy water to dip brushes and scrubs during cleaning.\*

**Safety Shovel**  
Item number 6898SS

Ideal for keeping grounds clean, this shovel moves large volumes quickly and can be disassembled for easy storage.\*

**Pan Safety Shovel**  
Item number 6895SS

Quickly and easily scoop up large amounts of debris to keep your grounds looking as clean as your fleet.\*

**Regrind Safety Shovel**  
Item number 6982RG

This shovel is a cost-effective option for moving waste, debris, or even snow.\*

\*Additional colors and/or sizes available. Visit [remcoproducts.com/transport](http://remcoproducts.com/transport) for full details.

# The right tools for the job

Professional cleaning equipment is a necessity for accomplishing tasks efficiently and effectively. This is particularly relevant in the transport industry where vehicles need to be turned around quickly. If you have a cleaning challenge, Remco can help you choose the correct tools for your task.

## #1 Exterior vehicle windows and paint

The soft rubber blade of Vikan's Wipe-n-Shine is particularly effective at removing water and limescale spots from paint and windows.

Item no. 707852

## #2 Wheels and rims

These high-quality brushes offer safe and effective cleaning and are especially suitable for removing stubborn dirt from wheels and rims

Item no.

525352

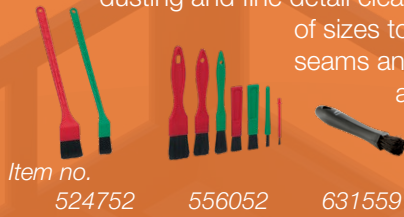

545252

525252

## #5 Interior detailing

The interior detail brushes make quick work of dusting and fine detail cleaning. With a variety of sizes to choose from, small seams and tricky recessed areas are easily accessible.

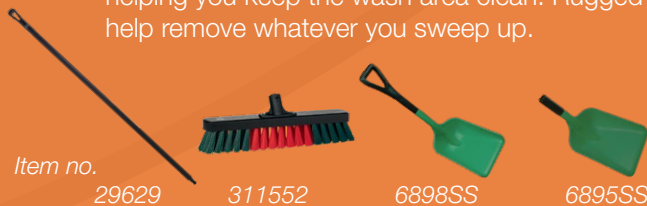

## #4 Exterior paint

Vikan's telescopic and ergonomic waterfed handles ensure effective and comfortable cleaning of vehicles. Fully adjustable to the user and the cleaning task, the handles have a range of 59–108 inches. Efficient, gentle, and easy, the angled brush head or the adjustable brush head for hard-to-reach areas can make quick work of cleaning tasks.

## #3 Garage and shop maintenance

Our durable push brooms effectively move debris, helping you keep the wash area clean. Rugged shovels help remove whatever you sweep up.

# Cleaning simplified

Professional cleaning requires the correct approach as well as the right tools. The Vikan six-stage process will leave the exterior of your vehicle spotlessly clean:

- Apply a good foam mix of detergent and water.
- Leave the vehicle to soak for a couple of minutes so dust and dirt loosens and binds to the foam.
- Wash the vehicle with plenty of clean water to remove debris and prevent small pieces of sediment from scratching the paintwork when using a brush.
- Using a waterfed or hand brush, wash the vehicle with water and detergent.
- Rinse the vehicle thoroughly with clean water.
- Use the rubber-bladed Wipe-n-Shine to remove wash water and leave windows and paintwork streak free.

Remco sells Vikan tools exclusively through partner distributors in the United States and Canada.
