TANK / MANWAY GASKETS CATALOG

Door Gaskets, Peepsight Gaskets and Agitator Seals for Storage Tanks & Tankers

The following cross-section configurations are for some of the more widely used tank "man-way" door gaskets or gaskets for tank lids. Included are gaskets for those "older" makes that have been obsoleted by the O.E.M., such as Pfaulder, Chicago and Portersville. In addition, we have the gaskets for Arnold, Bessler, Lifetyme, McHale, Potter-Rayfield, Steriline, Tolan, etc., or your "no-name" tanks...
