

COLOR CODED

TINGLEY BOOT SAVER® SHOE COVERS

Support your color-coding program while helping reduce the risk of cross-contamination. Tingley Boot Saver® Shoe Covers are made from durable natural rubber latex and stretch easily over work footwear for a secure fit. Resistant to a wide range of chemicals and fats, they provide a protective barrier against liquids and other contaminants. A textured outsole offers dependable traction on wet and dry surfaces, while the powder-free finish helps prevent powder contamination.

Features

- Powder-free natural rubber latex
- Textured outsole for wet and dry traction
- 100 pairs per case

MEDIUM (Men's 6–7.5; Women's 8–9.5)

COLOR CODED TINGLEY STEPLITE® X POWERED BY BEKINA® PU BOOTS

Lightweight, durable, and 100% waterproof, these polyurethane (PU) boots are up to 30% lighter than most PVC and rubber knee boots while lasting up to three times longer. Designed for comfort and performance, they feature a full-length sock liner, flexible upper, and removable contour insole. The cleated, multi-purpose outsole provides excellent slip resistance on dry, wet-clean, and wet-contaminated surfaces.

Seamless Polyurethane | Self-Insulating | Chemical Resistant

- Seamless 15" polyurethane knee boot with 12" cutline for customizable height
- Abrasion resistant for extended wear
- Exceptional resistance to fats and oils
- Self-insulating to help keep feet warmer in cold conditions and cooler in heat
- Meets ASTM F2413 M I/75 C/75 standards
- Yellow boot is also EH Rated
- Available in plain toe or steel toe options

COLOR CODED DUNLOP® FOODPRO PUROPORT® SAFETY BOOTS

Designed for the food processing industry, FoodPro Purofort® Safety Boots combine lightweight polyurethane construction with steel toe protection. Featuring Purofort® technology and a MultiGrip outsole, these boots provide excellent slip resistance in various environments, including semi-solid contaminated areas.

The dirt-repellent outsole and smooth finish make cleaning easier while helping reduce contamination risks.

Extra Smooth Finish | SRA Rated | Slip Resistant

- Smooth shaft design for easier cleaning and reduced contamination risk
- Durable polyurethane construction for long-lasting performance
- MultiGrip outsole with enhanced slip resistance and dirt repellency
- Meets CSA Z195-09 Omega and ASTM F2413-11 M I/75 C/75 EH standards
