Overhead surfaces present a real challenge in food and beverage facilities. Cleaning them often requires ladders, which can increase safety risks and add time to employee training and inspections.

Vikan's high-level cleaning collection helps reduce the need for ladders by combining lightweight telescopic handles with purpose-built cleaning tools. Together, they make it easier to clean overhead pipes, ceilings, equipment exteriors, and other hard-to-reach surfaces safely and efficiently.

Item No. 47649
T-Bar for Wash Fleece
Threaded, 13.7", Black

Item No. 474315
Wash Fleece Sleeve
14.9", White

Item No. 548400
Interior Mop
21.6", Gray

Item No. 377018
Interior Mop Frame
31.8", Gray

Item No. 29989
Angle Thread Adapter
5.5", Gray

Item No. 4592X
Dual Reach Brush
Threaded, 10.2" Soft/Stiff

Item No. 7716X
Condensation Squeegee
15.7"

Item No. 53743
Pipe Exterior Brush
20.1", Medium

Item No. 5371X
Pipe Exterior Brush
20.9", Soft

Item No. 5372X
Pipe Exterior Brush
Ø2.2", 14.2", Medium

Item No. 454518
Duster w/Telescopic Handle
42.1 - 68.1", Ø7.4", Soft/Split, Gray

Item No. 2973Q5
Waterfed Telescopic Aluminum Handle w/ Quick Connect,
63 - 109.4", Ø1.3", White

Item No. 2975X Aluminum Telescopic Handle
62 - 109.4", Ø1.3"

Item No. 11005
Condensation Bottle

Item No. 2977 Telescopic Handle Fiberglass, 74 - 236.2", Ø1.3", Gray
